

# Karen PAVICIC

Karen Pavicic is an NCCP Level 3 Dressage coach and the trainer at Centre Line Stables in Richmond, BC.

Karen started in Pony Club, where she achieving her "A" level status, and has been riding and studying dressage since 1983. She competed at the North American Young Rider Championships for four consecutive years, earning a Team Gold and Individual Bronze medal, and continues to foster other young riders on their own personal journey with their equine partners.

Karen has trained numerous horses and has successfully coached many students to the FEI levels. Her exemplary record as a coach and trainer is complemented by her successful performances at National and International levels.

Lionheart ("Lance") is Karen Pavicic's current competition partner. Lance is a 10-year-old Hannoverian gelding by Landseiger I (Lanadel) out of Wendla (Walt Disney I) imported by Karen from Germany in January 2003. During their debut year at the Prix St. Georges level in 2005, they achieved first place each time they entered the ring and were Long Listed for the 2006 Canadian Equestrian Team.

In 2006, they competed internationally for Canada at several CDI's in the United States where they achieved an impressive top ten finish in every class in addition to winning the Pacific Regional Dressage FEI Level Championship for the second year in a row. They ended the year by becoming Short Listed for the 2007 Canadian Equestrian Team.

In 2007, they once again competed internationally for Canada at CDI competitions in the United States, again having top ten finishes in every class they entered. This continued success earned them the opportunity to attend the 2007 Pan American Games Final Selection Trials in Toronto.

Karen is married to her wonderful husband, David and together they have two children, Nikolas, 5 and Katarina, 3. Karen is grateful for their ongoing encouragement and support, in addition to the support she receives from her parents, Lynda and Gerry, and from the rest of her immediate family, as well as her many dedicated students.
